VIRTUAL

ALDEVRON TOWER DEDICATION

FRIDAY, OCTOBER 2

SPEAKERS:

John Ballantyne, Chief Scientific Officer and Co-Founder of Aldevron

Dean L. Bresciani, NDSU President

Michael Chambers, Founding CEO and Executive Chairman of Aldevron

Jeanne Frenzel, Professor of Pharmacy Practice

John R. Glover, President/CEO of NDSU Foundation

Kevin Hanson, President/CEO of Gate City Bank

Theresa Larson, Vice President of Nursing of Sanford
Medical Center in Fargo

Lauren Nordberg, Pharmacy Student

Charles D. Peterson, Dean of the College of Health Professions

BUILDING FACTS

Aldevron Tower is home to the College of Health Professions. The college educates future pharmacists, nurses, respiratory therapists, radiologic technologists, sonographers, medical laboratory scientists, pharmaceutical scientists, health services, and public health professionals.

More than
2,000
students enrolled
in College of
Health Professions
programs

74,000
square feet

- Heyer Engineering
- MBN Engineering

BUILDING FEATURES

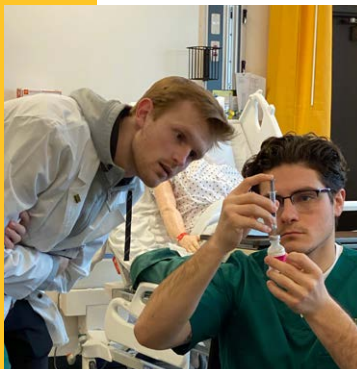

Unique features of the second floor Simulation Suite include:

- Home health apartment
- Trauma bay and birthing suite
- Two medical/surgical hospital rooms
- Pediatric hospital room
- Headwalls with simulated oxygen, vacuum and suction
- Patient call system
- Hospital nurse station
- Moulage room
- Three debriefing conference rooms with technology to record simulations and replay them

Unique features of the Pharmacy Practice Instructional Laboratory include:

- Community and institutional practice areas
- Simulated USP 797 compliant sterile compounding laboratory with ante room
- Non-sterile compounding laboratory with high temperature dishwashers
- Access to patient exam rooms for medication therapy management
- Telehealth/telepharmacy for providing care to medically underserved rural communities

THANK YOU

We greatly appreciate the benefactors who made Aldevron Tower possible. Their generous investments will benefit generations of students — the region's future health care professionals.
