beneficiary.					

Part V, line 4:

The endowment funds held by North Dakota State University Foundation have been established to follow donors' wishes to provide an ongoing reliable source of funding to North Dakota State University for student scholarships, faculty support, departmental support and organization operations.

From time to time, certain donor-restricted endowment funds may have fair values less than the amount required to be maintained by donors or by law (underwater endowments). The Foundation has interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law. At December 31, 2022, funds with original gift values of \$127,549,910, fair values of \$117,275,233, and deficiencies of \$10,274,677 were reported in net assets with donor restrictions.

Part X, Line 2:

The Foundation believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. The Foundation would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred. The Foundation files an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS to report its unrelated business taxable income.

Form 990, Part VI, Section B, Line 15:

The process for determining compensation for the President and CEO is the responsibility of the Foundation's Compensation Committee, comprised of the officers of the Board. The Committee annually reviews mutually determined goals and objectives of the incumbent. Salary adjustments are based on a review of similar positions using competitive market compensation paid by other regional and national foundations with similar endowment and staff size. In making salary recommendations, the committee takes advantage of information compiled annually by various regional and national salary surveys within the industry. In turn, the President and CEO evaluates four direct reports, one of which is the CFO, using mutually agreed to goals and objectives for each person. The President and CEO's recommendation on salary is forwarded to the Committee for review. As part of the annual budget, all salaries are then approved, in turn, by the Finance & Audit Committee and the Executive Governing Board.
