The Foundation has a bronze statue and wall hanging, depicting the bison

University. Collection of art is displayed on campus to promote the visual							
arts and used in study for related majors.							

Part IV, line 2b:

Cash and cash equivalents held for others consist of funds held and

invested for various organizations.

beneficiary.

Part V, line 4:

The endowment funds held by North Dakota State University Foundation have

been established to follow donors' wishes to provide an ongoing reliable

source of funding to North Dakota State University for student

scholarships, faculty support, departmental support and organization

operations.

From time to time, certain donor-restricted endowment funds may have fair values less than the amount required to be maintained by donors or by law (underwater endowments). The Foundation has interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law. At December 31, 2023, funds with original gift values of \$118,987,346, fair values of \$115,031,085, and deficiencies of \$3,956,261 were reported in net assets with donor restrictions.

Part X, Line 2:

The Foundation believes that it has appropriate support for any tax
positions taken affecting its annual filing requirements, and as such,
does not have any uncertain tax positions that are material to the
financial statements. The Foundation would recognize future accrued
interest and penalties related to unrecognized tax benefits and
liabilities in income tax expense if such interest and penalties are
incurred. The Foundation files an Exempt Organization Business Income Tax
Return (Form 990-T) with the IRS to report its unrelated business taxable
income.

The process for determining compensation for the President and CEO is the responsibility of the Foundation's Compensation Committee, comprised of the officers of the Board. The Committee annually reviews mutually determined goals and objectives of the incumbent. Salary adjustments are based on a review of similar positions using competitive market compensation paid by other regional and national foundations with similar endowment and staff size. In making salary recommendations, the committee takes advantage of information compiled annually by various regional and national salary surveys within the industry. In turn, the President and CEO evaluates four direct reports, one of which is the CFO, using mutually agreed to goals and objectives for each person. The President and CEO's recommendation on salary is forwarded to the Committee for review. As part of the annual budget, all salaries are then approved, in turn, by the Finance & Audit Committee and the Executive Governing Board.
